

A photograph showing two women in a therapy session. One woman, with blonde hair in a ponytail and wearing a grey blazer, is seated in a blue armchair and gesturing with her hands while speaking. The other woman, with long brown hair and wearing a white cardigan and blue jeans, is seated on a black couch and listening attentively. The background is a warm, reddish-brown wall.

JOIN OUR TEAM!

CLINICIAN (FULL-TIME)

DSA 2: BELLEVILLE

We are seeking a full-time Clinician to provide individual and group psychotherapy to clients within the specified age range using evidence-based therapeutic approaches. Deliver grief counseling to individuals and families impacted by suicide loss, supporting healing and healthy coping strategies. Collaborate with a multidisciplinary clinical team to develop and implement individualized treatment plans. Participate in the Intensive Outpatient Program (IOP) and outpatient continuum of care, offering consistent therapeutic support. Maintain accurate, confidential client documentation in compliance with legal and ethical standards, and actively engage in team meetings and clinical supervision to support professional growth and quality care.

Key Responsibilities:

- Conduct individual psychotherapy sessions with clients within the specified age range, utilizing evidence-based therapeutic approaches.
- Provide grief counseling services to individuals and families impacted by suicide loss, fostering healing and coping strategies.
- Collaborate with the clinical team to develop comprehensive treatment plans tailored to each client's needs and goals.
- Participate in the Intensive Outpatient Program (IOP) and outpatient counseling continuum of care, offering consistent support and guidance to clients.
- Group therapy sessions for at-risk youth and suicide survivors.
- Maintain accurate and confidential client records, ensuring compliance with legal and ethical standards.
- Attend regular team meetings and clinical supervision sessions to enhance professional development and ensure quality care delivery.
- Adhere to Marshmallow's HOPE's operating hours, including Monday to Thursday from 8 am to 8 pm and Friday from 8 am to 4 pm, with one Saturday shift per month.
- Clinician hours are generally 11:00 am-8:00 pm
- Other: Perform other duties as assigned.

Qualifications:

- Licensed or certified therapist (e.g., LCSW, LMFT, LPC) with experience in providing psychotherapy to children, adolescents, and young adults.
- Specialized training or experience in grief counseling, particularly in the context of suicide bereavement.
- Strong knowledge of evidence-based therapeutic modalities, such as cognitive-behavioral therapy (CBT), dialectical behavior therapy (DBT), and trauma-informed care.
- Excellent interpersonal skills, empathy, and cultural competence to effectively engage with diverse clients and families.
- Ability to work collaboratively within a multidisciplinary team and adapt to a fast-paced, dynamic clinical environment.
- Commitment to the mission and values of Marshmallow's HOPE, including a dedication to suicide prevention and mental health advocacy.

Additional Requirements:

- Completion of all necessary background checks in accordance with HFS guidelines.
- Commitment to the mission and values of Marshmallow's HOPE.
- Ability to work independently while collaborating closely with clinical staff

Salary Range: \$60,000 - \$75,000 per year
