DSA 5: Edwardsville

We are seeking a full-time Intensive Home-Based Behavioral Therapist to provide individual and family therapy, crisis intervention, and skill-building in home and community settings. This role is ideal for a passionate and skilled clinician looking to make a direct impact by providing therapy in a flexible, client-centered approach. The therapist will work evenings and weekends to meet the needs of families outside of traditional office hours.

Key Responsibilities:

- Provide in-home and community-based therapy to adolescents and families in various Illinois Counties
- Conduct comprehensive biopsychosocial assessments and develop individualized treatment plans.
- Utilize evidence-based modalities such as CBT, DBT, ACT, and MBSR to address mental health challenges (company will pay for certifications).
- Monitor symptoms using GAD-7, PHQ-9, making treatment adjustments as needed.
- Offer crisis intervention and safety planning for at-risk youth.
- Provide psychoeducation to parents and caregivers, enhancing family dynamics and communication.
- Collaborate with schools, case managers, and community resources to ensure a holistic approach to care.
- Maintain timely and accurate documentation in compliance with Medicaid and organizational standards.
- Attend weekly clinical supervision and team case consultations to enhance service quality.
- Support clients with transitional and aftercare planning.
- Other: Perform other duties as assigned.

Qualifications:

- Master's degree in Social Work, Counseling, Psychology, or a related field.
- LCSW, LCPC, LMFT, or LSW/LPC (under supervision) in Illinois.
- Strong understanding of trauma-informed care, mindfulness practices, and crisis intervention techniques.
- Experience treating suicidal ideation, depression, anxiety, PTSD, and emotional dysregulation.
- Ability to work independently, manage a flexible schedule, and provide services in home and community settings.
- Must have a reliable vehicle, a valid driver's license, and active auto insurance.
- Strong documentation, organizational, and communication skills.

Preferred Qualifications:

- Minimum of 2 years of experience preferred working with adolescents and families in clinical or home-based settings.
- Bilingual (Spanish/English) a plus.
- Experience working with Medicaid-funded programs.
- Familiarity with wraparound services and systems of care.

Salary Range: \$60,000 - \$65,000 per year
